**Power Yoga:** An all-levels class designed to build strength and endurance, while expanding breath and flexibility. We will move through traditional Yoga poses and transitions. One of the main goals of this class will be to connect our breath with movements, both static and dynamic. Find a clear mind and revived body after this 45-minute practice.

**Yoga Flow:** In this invigorating Yoga class, strength is cultivated through a series of dynamic poses that challenge and empower the body. Each posture flows seamlessly, enhancing flexibility and promoting a deepened sense of bodily awareness. Moments of meditation weave throughout the practice, allowing participants to center their minds and connect with their breath. As stamina is tested through sustained sequences, the class culminates in a serene sound bath, where soothing vibrations from Tibetan singing bowls envelop the room, offering a deeply relaxing conclusion to the transformative experience.

**Bootcamp:** Break a sweat with this 45-minute bootcamp class that consists of a mix of cardiovascular fitness and strength training using bodyweight, weights and other equipment!

**Roll & Recover:** Whether you play a sport, lift weights, or sit behind a desk all day, this class is for you. The focus of this class is to improve mobility and facilitate muscle recovery through foam rolling soft tissue and mobility exercises.

**Spin:** Something for everyone! Intervals, rolling hills, sprints, climbs, runs, surges and jumps all to music hand-picked to motivate and inspire! This is a great workout if you want to challenge your strength and endurance while burning up those calories. Come find the inspiration you've been looking for to help you achieve your personal goals!

**Strength & Spin:** Experience the ultimate fitness fusion with *Strength & Spin*, a dynamic workout that seamlessly combines strength training and indoor cycling. Start with invigorating indoor cycling, featuring varied terrains, challenging climbs, and fast-paced sprints to boost cardiovascular fitness and burn calories. Then shift gears with a focused strength circuit using free weights, resistance bands, and bodyweight movements to build muscle and enhance endurance.

**Full Body Circuit:** This circuit class will maximize calorie loss, keeping your heart rate up and burning more fat in less time. This circuit style training works the full body with the use of dumbbells, resistance bands, medicine balls, and body weight. Feel the burn in this 30-minute class!

**Spin Fusion 360:** This interactive class combines high-energy spin workouts with the cutting-edge technology of the HFIT360 mobile app. It offers on-demand video guidance, performance tracking, and immersive virtual routes that make every session unique and engaging. Don't miss out on this innovative fitness experience. Whether you're a seasoned cyclist or a beginner, our expert instructors will guide you through a dynamic mix of sprints, climbs, and endurance rides, all synced with motivating music and stunning visuals. Get ready to pedal your way to fitness and fun in a supportive and energetic environment.
